Acknowledgements	vii
Part 1: Understanding AD/HD	1
1. AD/HD: What it is, and what it isn't	3
<i>AD/HD defined</i>	3
<i>Pseudo AD/HD: what looks like AD/HD, but isn't AD/HD?</i>	5
<i>How many people have AD/HD?</i>	6
2. AD/HD in the Classroom: Teacher and Student Perspectives	8
<i>Common classroom problems associated with AD/HD</i>	8
<i>What it feels like to have AD/HD</i>	9
3. AD/HD and Other Problems	18
<i>AD/HD and Emotional and Behavioural Difficulties (EBD)</i>	18
<i>Assessing AD/HD</i>	19
<i>AD/HD and other problems – behavioural, emotional and educational</i>	19
4. Biology, Brains and AD/HD	21
<i>AD/HD and the brain I: the psychology of AD/HD</i>	21
<i>AD/HD and the brain II: the biology of AD/HD</i>	24
<i>AD/HD and families: genetics and AD/HD</i>	24
5. AD/HD and Destiny	25
<i>What happens to people with AD/HD?</i>	25
<i>AD/HD and the bio-psycho-social approach: AD/HD is a product of nature and nurture</i>	26

Part 2: Principles and Practices for Intervention with AD/HD	31
6. The Multi-Modal Approach to Intervention	33
<i>Educational, medical and other professionals working together</i>	33
<i>The role of medical intervention</i>	34
<i>The contribution of school staff to a multi-modal approach to AD/HD</i>	35
<i>Establishing a whole school approach</i>	36
<i>Partnership with child and parents</i>	41
<i>Evaluating progress</i>	42
7. AD/HD in the Classroom: Basic Principles and Practices	45
<i>Establishing the right relationship</i>	45
<i>The right setting</i>	47
<i>Promoting effective learning</i>	48
<i>Managing behaviour</i>	51
<i>Thinking positively about AD/HD</i>	55
Part 3: AD/HD in Action: Case Studies	57
8. The Different Faces of AD/HD	59
<i>The types</i>	59
<i>Conclusion</i>	62
9. AD/HD with Oppositional Defiance	63
10. AD/HD with Detachment	68
11. AD/HD with Impulsivity	72
12. AD/HD with Obsessions	76
13. AD/HD with Learning Difficulties	81
14. AD/HD with High Ability	85
15. AD/HD with Conduct Disorder	89
16. AD/HD: Combined Type	94
17. And in the End: Caring for the Carers	98
Appendix 1 <i>DSM IV: Diagnostic Criteria for AD/HD</i>	104
Appendix 2 <i>ICD 10: F90 Hyperkinetic Disorder</i>	106
