

Foundation Concepts of

# Global Community Health Promotion and Education

Barbara Lorraine Michiels Hernandez

# TABLE OF CONTENTS

Preface	ix	
Acknowledgments	xiii	
About the Author	xv	
<b>CHAPTER 1</b>	<b>Underlying Concepts of the Health Education and Promotion Profession</b>	<b>1</b>
	Objectives and Assessments	2
	Introduction	3
	Health and Wellness Concepts	4
	Health Educator Concepts	4
	Disease Concepts	5
	Health Status Concepts	7
	Concepts of Health Education and Community Health Promotion	9
	Health Determinants, Epidemiology, and Statistics	17
	Health Applications	24
	Summary	27
	Conceptual Terms	28
	Reflective Thinking	29
	Conceptual Learning	29
	References	30
	Enhanced Readings	32
	Relevant Web Sites	32
<b>CHAPTER 2</b>	<b>Global Health Surveillance and Epidemiological History</b>	<b>33</b>
	Objectives and Assessments	34
	Introduction	34
	Global Health	35
	Areas of Global Health	36
	Overview of the Evolution of Medicine, Health, and Epidemiology	37
	Global Health History	39
	The Future of Health Beyond 2000 AD	54
	Global Cooperative Surveillance Efforts 1800s Through Present Day	56
	International Preparedness for Chemical/Biological Threats and Emergencies	57
	Greatest Global Public Health Achievements	58

	Ten Greatest Health Achievements in the United States	59
	Global Health Security	61
	Global Health Paradigm Change	62
	Summary	63
	Conceptual Terms	63
	Reflective Thinking	64
	Conceptual Learning	64
	References	65
	Enhanced Readings	67
	Relevant Web Sites	67
<b>CHAPTER 3</b>	<b>Health Program Planning Models for Change and Prevention</b>	<b>69</b>
	Objectives and Assessments	70
	Introduction	71
	Function of Planning Models	71
	Categories of Health Models	72
	Health Models	73
	Documenting Health Initiatives	90
	Models for Improved Health	90
	Summary	91
	Conceptual Terms	92
	Reflective Thinking	93
	Conceptual Learning	93
	References	94
	Enhanced Readings	95
	Relevant Web Sites	96
<b>CHAPTER 4</b>	<b>Theoretical Principles and Processes in Health Programs</b>	<b>97</b>
	Objectives and Assessments	98
	Introduction	99
	Theory	99
	Theory as an Essential Planning Element	100
	Characteristics of Theory	101
	Components of Theory	101
	Categories of Theory	103
	Individual (Intrapersonal) Theory	104
	Interpersonal Theory	108
	Community Theory	109
	Cultural Theory	113
	Short Summary of Additional Theories	114
	Theory and Models	118
	Theoretical Applications	120

Small Programs Effect Global Change	120
Theories and Models	122
Summary	123
Conceptual Terms	124
Reflective Thinking	124
Conceptual Learning	125
References	125
Enhanced Readings	127
Relevant Web Sites	128

## **CHAPTER 5 Strategic Planning Process for Administering Comprehensive Health Education and Promotion Programs 129**

---

Objectives and Assessments	130
Introduction	131
Background on the Nature of Health Program Plans	131
A Strategic Plan	133
Hire, Assess, Build, Implement, Test (HABIT) Model (Michiels-Hernandez, 2009)	134
Tolerance, Respect, and Responsibility Toward All Participants	152
Health Educators in Global Programs	155
Conclusion	155
Summary	157
Conceptual Terms	158
Reflective Thinking	158
Conceptual Learning	158
References	159
Enhanced Readings	160
Relevant Web Sites	160

## **CHAPTER 6 Philosophical Reflections on Health and Health Practices 163**

---

Objectives and Assessments	164
Introduction	165
Formulating a Philosophy	165
Prominent Philosophers Through the Ages	167
Types of Philosophies	170
Global Philosophies of University Departments of Health	171
Ottawa Charter	172
Sample Philosophy on Aging	172
Health Philosophical Roots	173
Writing a Health Philosophy	177
Health Philosophy Development	178
Philosophical Views from Health Professionals and Organizations	181

	Summary	187
	Conceptual Terms	187
	Reflective Thinking	187
	Conceptual Learning	188
	References	188
	Enhanced Readings	189
	Relevant Web Sites	190
<b>CHAPTER 7</b>	<b>Professional Tenets in Certifications, Standards, Ethics, and Competencies</b>	<b>191</b>
	Objectives and Assessments	192
	Introduction	193
	Professional Preparation for the Profession	193
	Essential Characteristics of a Profession	194
	National Health Education Standards: Achieving Excellence (K–12 Education)	195
	The Certified Health Education Specialist Credentialing History and Future	197
	Revisions for a Competency-Based Framework for Health Educators-2006	198
	Development of Graduate-Level Health Competencies	199
	A Competency-Based Framework for Advanced-Level Health Educators	199
	Accreditation	199
	Ethical Considerations for Professional Competence	201
	Principles of Ethics	201
	Ethical Principles in Health Programs and Research	202
	Ethical Documents	203
	Codes of Ethics	204
	Conflicts of Interest and Ethical Issues in Research, Programs, and Teaching	205
	Human Subjects Review Boards	205
	Health Education as a Standard Occupational Classification	209
	Progress in Health Education	210
	Summary	210
	Conceptual Terms	211
	Reflective Thinking	211
	Conceptual Learning	212
	References	213
	Enhanced Readings	215
	Relevant Web Sites	215
<b>CHAPTER 8</b>	<b>Predictions, Technology, and Future Health Professional Career Objectives</b>	<b>217</b>
	Objectives and Assessments	218
	Introduction	218

Undergraduate Health Degrees	220
Graduate Health Degrees	220
Career Options in Health	222
Major Types of Career Settings and Job Titles	223
Health Educator Job Analysis	230
Resumes and Cover Letters	230
Portfolios: Hard Copy and Electronic	233
Criteria for an Electronic Resume and Portfolio	235
Technology and the Health Profession	238
Quick Tips for Evaluating Credible Articles and Research on the Internet and Beyond	239
Analyzing Research Practices in Journal Articles and Publications	241
Health Education Practice and Reform	242
Leaders for Tomorrow	243
Final Reflections	245
Selected General Health Databases and Information Resources	245
Search Programs	247
Listserv	247
Summary	247
Conceptual Terms	248
Reflective Thinking	248
Conceptual Learning	249
References	249
Enhanced Readings	250
Relevant Web Sites	250
<b>Appendix A: A Competency-Based Framework for Health Educators</b>	251
<b>Appendix B: Code of Ethics for the Health Education Profession</b>	261
<b>Appendix C: Career and Health Resources</b>	265
Glossary	277
Photography Credits	289
Index	291
