| List of contributors | xiv |
| 1. The social psychology of music | 1 |
| <i>David J. Hargreaves and Adrian C. North</i> | |
| Perspectives in music psychology | 3 |
| Perspectives in social psychology | 5 |
| Early research in the social psychology of music | 8 |
| Eminence and musical taste | 8 |
| Occupational studies | 11 |
| Music education research | 11 |
| Medical and therapeutic uses of music | 12 |
| Research on musicianship and composition | 13 |
| Ethnomusicological studies | 14 |
| Plan of the book | 14 |
| References | 16 |
| PART I INDIVIDUAL DIFFERENCES | |
| 2. Individual differences in musical behaviour | 25 |
| <i>Anthony E. Kemp</i> | |
| Introduction | 25 |
| Introversion/extraversion | 27 |
| Independence | 29 |
| Sensitivity | 32 |
| Anxiety | 33 |
| Gender role stereotyping | 35 |
| Musical preferences and listening styles | 37 |
| Musical development, upbringing, and educational environment | 40 |
| Conclusion | 41 |
| References | 42 |

| | |
|---|-----------|
| 3. Gender and music | 46 |
| <i>Susan A. O'Neill</i> | |
| Introduction | 46 |
| Sex or gender? | 48 |
| Gender differences in musical aptitude and achievement | 48 |
| Gender differences in musical preferences | 50 |
| Gender stereotyping of musical instruments | 51 |
| 'Masculine' and 'feminine' musical instruments | 51 |
| Do adults select gender 'appropriate' instruments for children to play? | 52 |
| Children's preferences for musical instruments: a function of gender? | 52 |
| Why do children have gender stereotyped beliefs about musical instruments? | 54 |
| Are gender stereotyped preferences resistant to change? | 56 |
| Crossing the gender divide in music | 57 |
| References | 60 |

PART II SOCIAL GROUPS AND SITUATIONS

| | |
|--|-----------|
| 4. Music and social influence | 67 |
| <i>W. Ray Crozier</i> | |
| Social influence | 68 |
| Personal and social identity | 71 |
| Music, mood, and social influence | 73 |
| Affective responses to music | 74 |
| Arousal or mood? | 75 |
| Attention, conditioning, and priming | 78 |
| Conclusion | 80 |
| References | 81 |
| | |
| 5. Experimental aesthetics and everyday music listening | 84 |
| <i>Adrian C. North and David J. Hargreaves</i> | |
| The new experimental aesthetics | 85 |
| Musical preference in everyday life | 87 |
| Radio plugging | 87 |
| The preference-feedback hypothesis | 88 |
| Acculturation and familiarity | 89 |
| Complexity and tempo | 90 |
| Other everyday factors | 92 |

| | |
|--|-----|
| Environmental effects on musical preference | 93 |
| Arousal-based factors | 93 |
| Arousal and appropriateness | 94 |
| Effects of music on responses to the environment | 97 |
| Conclusion | 99 |
| References | 100 |

PART III SOCIAL AND CULTURAL INFLUENCES

| | |
|---|------------|
| 6. Products, persons, and periods: historiometric analyses of compositional creativity | 107 |
| <i>Dean Keith Simonton</i> | |
| Products | 108 |
| Compositional style | 108 |
| Aesthetic success | 110 |
| Persons | 113 |
| Stability of eminence | 114 |
| Antecedents of eminence | 115 |
| Periods | 116 |
| Composers' careers | 116 |
| Musical traditions | 118 |
| Prospects | 119 |
| References | 120 |
| | |
| 7. The roles of music in society: the ethnomusicological perspective | 123 |
| <i>Andrew H. Gregory</i> | |
| Traditional roles of music | 123 |
| Lullabies | 124 |
| Games | 124 |
| Work music | 125 |
| Dancing | 125 |
| Storytelling | 128 |
| Ceremonies and festivals | 129 |
| Battle | 129 |
| Communication | 129 |
| Personal symbol | 131 |
| Ethnic or group identity | 131 |
| Salesmanship | 132 |
| Healing | 132 |
| Trance | 134 |

| | |
|--|------------|
| Personal enjoyment | 135 |
| Court and religious music | 135 |
| Court music | 136 |
| Religious music | 137 |
| Developments | 137 |
| References | 138 |
| | |
| 8. Musical tastes and society | 141 |
| <i>Philip A. Russell</i> | |
| Measuring musical tastes | 141 |
| Taste publics and taste cultures | 142 |
| The social structure of music taste publics | 143 |
| Social class | 143 |
| Age | 145 |
| Gender | 147 |
| Ethnic and cultural factors | 147 |
| Subcultures, lifestyles, and values | 148 |
| General theories of the relationship between social structure and musical tastes | 149 |
| Social influences on musical tastes | 150 |
| Socialization and education | 150 |
| Group identification and cohesion | 151 |
| Peer influences | 152 |
| Media influences | 152 |
| Conclusions | 154 |
| References | 155 |
| | |
| PART IV DEVELOPMENTAL ISSUES | |
| | |
| 9. Musical taste in adolescence | 161 |
| <i>Dolf Zillmann and Su-lin Gan</i> | |
| Music consumption by adolescents | 161 |
| Massification, musical genres, and diversity | 163 |
| Music enjoyment and its rationalization | 165 |
| Social factors in music preference | 171 |
| Individual factors in music preference | 175 |
| Situational factors in music preference | 179 |
| Societal consequences of adolescent music | 181 |
| References | 183 |

| | |
|---|------------|
| 10. Environmental factors in the development of musical performance skill over the life span | 188 |
| <i>Jane W. Davidson, Michael J. A. Howe, and John A. Sloboda</i> | |
| Introduction | 188 |
| Researching the life span | 190 |
| Early childhood signs of musical ability | 191 |
| The acquisition of musical skills | 192 |
| Music practice | 192 |
| The technical and expressive aspects of musical performance | 195 |
| Performance expression | 196 |
| Key 'others' in the learning of musical skills | 197 |
| Parents | 197 |
| Siblings | 199 |
| Peers | 200 |
| Professional performers | 200 |
| Teachers | 201 |
| Conclusion | 203 |
| References | 203 |

PART V MUSICIANSHIP

| | |
|---|------------|
| 11. The social in musical performance | 209 |
| <i>Jane W. Davidson</i> | |
| Introducing the social | 209 |
| Sociocultural influences | 210 |
| Historical practices | 210 |
| Performance etiquette | 212 |
| Presence of others | 214 |
| Teachers and 'key' supporters | 214 |
| Social facilitation | 215 |
| Group function | 216 |
| Effective communication | 220 |
| Summarizing the role of the social in musical performance | 224 |
| References | 226 |
| | |
| 12. Performance anxiety | 229 |
| <i>Glenn D. Wilson</i> | |
| Symptoms | 229 |
| Prevalence | 230 |
| Individual differences | 231 |
| Situational factors | 231 |

| | |
|-----------------------|-----|
| Optimal arousal | 233 |
| Catastrophe theory | 235 |
| The timing of anxiety | 236 |
| Management | 238 |
| Drugs | 238 |
| Behaviour therapy | 239 |
| Alexander technique | 241 |
| Hypnotherapy | 242 |
| Summary | 243 |
| References | 243 |

PART VI REAL WORLD APPLICATIONS

| | |
|---|------------|
| 13. Clinical and therapeutic uses of music | 249 |
| <i>Leslie Bunt</i> | |
| Introduction | 249 |
| The emergence of the music therapy profession | 249 |
| What is music therapy? | 250 |
| Areas of practice | 251 |
| Example 1—Individual work | 252 |
| Example 2—Group work | 252 |
| The relationship of music therapy to other treatment models | 253 |
| Music therapy and a medical model | 253 |
| Music therapy and psychoanalysis | 254 |
| Music therapy and behaviour therapy | 256 |
| Music therapy and humanistic psychology | 257 |
| Some effects of intervention | 258 |
| Music in therapy | 258 |
| Music as therapy | 262 |
| Concluding points | 264 |
| Author's note | 264 |
| References | 264 |
| | |
| 14. Music and consumer behaviour | 268 |
| <i>Adrian C. North and David J. Hargreaves</i> | |
| Advertising | 268 |
| Attitude towards the ad and classical conditioning | 269 |
| Elaboration likelihood, involvement, and 'fit' | 271 |
| Shops | 274 |
| Customer activity | 274 |

| | |
|---|------------|
| Purchasing and affiliation | 275 |
| Waiting time | 276 |
| The music industry | 278 |
| Pop music radio and television | 278 |
| Music as product | 280 |
| Conclusion | 282 |
| References | 283 |
| | |
| 15. The social psychology of music education | 290 |
| <i>Bengt Olsson</i> | |
| Introduction | 290 |
| Students' preferences and motivation | 291 |
| Musical preferences | 291 |
| Attributional explanations of success and failure | 293 |
| The teacher's perspective | 294 |
| Organizational explanations | 294 |
| Behaviour modification | 296 |
| The teacher's role | 298 |
| Research on teacher training | 300 |
| Teacher identity | 300 |
| The Sämus project | 301 |
| Conclusion | 302 |
| References | 303 |
| | |
| Name index | 307 |
| | |
| Subject index | 318 |
