1 Introducing Online Corpora	1
Using a corpus	1
Choosing your corpus	4
The tradition of corpus analysis of English	9
Five online corpora of English	10
Analysing online corpora	16
The organisation of this book	19
2 Interpreting Corpus Data	21
Quantitative and qualitative analyses	22
Representativeness	22
Frequencies	28
Normalisation of frequencies	30
Mutual Information	32
Other measures of collocation	34
Key words	37
Other statistical tests	42
Summary	44
3 Exploring Lexis with Corpora	45
What is a word in a corpus?	46
Obtaining lexical information from a corpus	48
Analysing lexical data	52
The lexicogrammatical environment of words	53
The semantic environment of words	59
The wider social environment of words	63
Summary	66
4 Exploring Grammar with Corpora	67
Attitudes to grammar	67
What is grammar?	68

Word categories	71
Exploring lexical items with a corpus	72
Exploring grammatical items with a corpus	76
Exploring phrases with a corpus	78
From phrase to clause	83
Complex sentences	88
The grammar of speech and writing	91
Delexicalised verbs	92
Colligation	93
Verb systems	96
Data-driven grammar versus intuition	99
Summary	100
5 Exploring Discourse with Corpora	101
What is discourse?	101
Using corpora to explore discourse	105
Analysing spoken discourse	111
Analysing written discourse	116
Intertextuality	121
Summary	122
6 Exploring Pronunciation with Corpora	124
Describing different accents	125
The international phonetic alphabet	126
Consonant sounds	126
Consonant symbols	127
Vowel sounds	129
Using online corpora to explore pronunciation	131
Accent variation	132
Accents of English online	136
Exploring vowels online	137
Fast talking	143
The acquisition of variation	147
Lexicalisation	149
Intonation	152
Summary	153
7 Contextualising Corpus Texts	155
Text and co-text	155
Text and context	157
Metadata	158
Corpora and sociolinguistics	159
User-related variables	165
Use-related variables	169
Summary	172

8 Conclusion: Issues in the Use of Corpora in Teaching and Research	173
Using corpora in teaching	173
Developing your own research interests	178
The future of online corpora	179
<i>Appendix: Online Corpora</i>	183
<i>Bibliography</i>	188
<i>Glossary</i>	193
